

## **EDUCATIONAL CAMPAIGN**

GCBA is once again sponsoring several youth contests in conjunction with the Gwinnett County School District to promote Law Related Education. Students have been invited to participate in a Poster and Essay contest relating to this year's National Law Day theme, *The Legacy of John Adams, From Boston to Guantanamo*. This year's theme celebrates John Adams as our nation's first lawyer-president and his legacy of the principle of due process of law. Awards will be announced and presented at the May GCBA Bar Luncheon on Friday, May 20, 2011.
