

GREAT DAY OF SERVICE

On Saturday, April 16, 2011, GCBA members helped clean and organize children's rooms and storage areas at the Gwinnett Children's Shelter in Buford.

The Gwinnett Children's Shelter is a private, non-profit, 501(c) (3) agency that grew out of a volunteer effort involving the PTA, business and community leaders and countless individuals who became aware of the growing need for services for the abused and abandoned children of Gwinnett County . Planning and development began in 1986 and the first child was served in the fall of 1987. Currently, the Gwinnett Children's Shelter serves 300-500 children and their families every year.
