

BANQUET & CELEBRATION

GCBA members enjoyed celebrating our legal profession at this year's Law Day Banquet held at the Sugarloaf Country Club on Friday, April 29, 2011. The evening began with visiting during a cocktail reception and was followed by a seated dinner and awards program. Special guests included Dr. Gordon Harrison, President of the Georgia Gwinnett College Foundation and Chris Boedecker from the United Way. The festivities concluded with celebration, socializing, and dancing to the sounds of the J-Ferren band. Fun was had by all!
