GCBA will once again celebrate Law Day by taking part in a "Great Day of Service." On Saturday, April 24, 2010, beginning at noon and continuing to 4:00p.m., we will be participating in a variety of projects at the Lawrenceville Food Co-op. We will be painting, pressure washing, and landscaping areas around the facility. GCBA will provide the necessary equipment and snacks in the afternoon. No experience necessary – these will be relatively easy tasks, especially if we have a good-sized group. As they say, "many hands make light work."

This is a great way to give back to our community, and it is a fun way to get your family involved. Kids are welcome, as long as you don't mind them getting a little paint and dirt on them!

We will also be donating canned goods to the Co-Op. I will be collecting cans at the April 16, 2010 Bar luncheon and will be accepting donations at the Solicitor's Office through April 23, 2010. Our goal is to donate 1000 cans. Given that GCBA's membership has grown to over 450 members – that should be easy. Feel free to set up donation boxes in your offices. Just contact me, and we will arrange to have the canned goods picked up.

We hope that you and your family will join us in this worthy event. Please contact me via email or at 770-822-8325 to let me know if you can attend or if you wish to donate to this project.
