

GCBA SKI-CLE NEWS STREAM

FROM REPORTER TERRY LLOYD, DATELINE STEAMBOAT SPRINGS: “There we were, DJ, Dennis & I, skiing at warp speed when suddenly a fair maiden with a young child in her arms slid to a reckless stop in front of me. Dennis veered away and I was able to come to an emergency stop. DJ, unfortunately, had built up his speed and was preparing to pass us when he saw me and the fair maiden. It was win the race and crush the maiden or take a dive into the hard-packed snow. Being the gallant guy that he is, DJ sacrificed himself. As the ski patrol took him off the mountain on the gurney sled, the fair maiden kissed him on the cheek. That is the official report from Steamboat Springs. The unofficial report can only be spoken and not put into print.”

FROM REPORTER DENNIS STILL, DATELINE STEAMBOAT SPRINGS: “How did I get brought into this? I was just standing by with the camera!”

From the Publisher – Well, it could’ve been a lot worse.....
